Do their dates work for your report release? Also, not sure that CCA will need more than a few pages (maybe 4 at the most), so the rest you can dedicate to the report and/or other BIDs. I'll schedule a time for us to discuss this project.

Hi Nihein
Great!

14 page special section on CCA DTLA Bid and other Bids for mid October release
Action

Ty and Natalie will send all of you specs for layout and pre-press specs
Need files by Sept 15

We are suggesting that this special section mirror your 3rd quarter reports for reinforcement of the messages

Obviously the new Innovation initiative would be a major piece and your brand ad which is separate from the 14 pages

Next we discussed releasing at the event Nick is planning in October for Innovation and need the date and place and estimated attendees

Lastly the WTCLA is also now a major participant focused on foreign investment

The mayors office wants to focus on 2024 Olympics

So combined this will be the best official guide filled with data and key stakeholders!

We can plan a group meeting end of this week or week of August 15

Hi Steve, apologies for the delay. We confirmed with Carol that we'd like to include the other BIDs as part of this advertising opportunity. I've included Henna Sherzai who handles marketing for the BID as well. Please let us know what the next steps and deadlines are for the content.

Thank you for the opportunity.

Best,
Nhien

Hi Steve,

Thanks for checking in. I wanted to wait until I had word from Carol about the BID component of the advertising piece before I got back to you. In general, she supports the idea of a joint partnership for the 12-page piece and is very appreciative of the opportunity.

Let us know what the next steps are and thanks for the updates on the

Treasures ad and billing.

Best regards,
Nhien

Hello Rick and Steve, great seeing you yesterday and thank you for the marketing/advertising opportunity. We'll talk to Carol and will get back to you.

On a related topic, we don't see the attached ad that was sent to your team for publication per our membership trade agreement. In this month's escapes issue, there is a Get Urban ad, but it's not the one we sent to Rick earlier in the month. Can you let me know what happened and if you'll be able to run our correct ad in your next issue? Also, we would love to have a copy of the issues going back to March when our ads would have published.

Thank you,
Nhien

Hi Rick, please see attached for the joint CCA/BID ad to run in this month's issue of the magazine. By the way, I never received the tearsheets from the previous months. Do you have e-tearsheets you can send? Thanks so much.
